What to expect: This site is in a clinic. You will be tested, at no cost to you.

Please arrive wearing a face mask. You will be greeted outside the clinic and asked for ID and an insurance card. If you don't have insurance, you will still be tested at no cost to you. Insurance data is for administrative purposes.

The test is a Q tip-like nose swab used to collect a sample from the upper part of your throat. That swab is sealed in a bag and sent to a lab. Results take 48-72 hours.

Other locations are available and listed on this site.
