

WELCOME LETTER

Drawing from Nature (Online)
February 13-15, 2021
Instructor: Helen Byers

Hello, everyone!

I am writing to thank you for registering for my online Drawing from Nature workshop sponsored by Ghost Ranch, Saturday through Monday, February 13-15. Welcome! Our “virtual” sessions will begin at 1:00pm (Mountain Time) and go until 4:00pm daily. A few days before the beginning of the course, I will send you a Zoom invitation, which will include a link for you to click on in order to join the session.

The course will include recorded and live demos in realistic techniques for drawing rocks, shells, and feathers in graphite, colored pencil, and/or watercolor. After I do a demo, I will continue to draw, offering feedback while participants work (from “live” specimens or provided photos).

I hope you have found the Recommended Materials list on the Ghost Ranch website: <https://www.ghostranch.org/events/drawing-from-nature-g200925/> Please contact me right away if you have difficulty obtaining anything on this list.

I look forward to “seeing” and working with you soon!
