

## Artist's Eye, Writer's Voice I

**January 21-24, 2022**

### **Welcome to your Ghost Ranch Writers' Experience!**

Welcome Artist's Eye, Writer's Voice participants,

Susan and I look forward to welcoming you to four sessions of color, connection, and creativity from January 21-24.

We will do our best to channel the magic of Ghost Ranch on Zoom as we meet for guided writing activities, fresh prompts, supportive coaching, and lively discussion.

At each session, we'll be sharing delightful images from Ghost Ranch's muse, Georgia O'Keeffe as well as from Ansel Adams, Frida Kahlo, Henri Matisse, and Sam Francis to inspire fresh writing, new perspectives, and good conversation.

We're looking forward to meeting this group of creative folks, some who've taken workshops with us in the past and some newcomers.

Please bring a notebook and pen and a few favorite images from artists you admire.

Let us know if you have any questions and we're excited to welcome you soon!

Warm wishes,

Elizabeth and Susan
